LIMITED LIFETIME WARRANTY GUIDELINE

Canvas Products Company Premium Boat Covers covered by this warranty are warranted to the ORIGINAL owner against manufacturing defects in materials and workmanship for the lifetime of the product.

Premium Boat Covers are solely covers made to our specifications out of Aqualon Edge premium marine grade fabric using marine grade materials. This does not cover boat covers not made from marine grade fabric or made to a nonstandard form.

If your product covered by this warranty fails due to a manufacturing defect, we will repair it without charge until it is no longer repairable in our professional opinion. Only original, unaltered and unmodified items and workmanship are covered. This warranty does not cover damage caused by accident, improper care, negligence, normal wear and tear, or the natural breakdown of colors and materials over extended time and use. This warranty does not cover webbing attachments. Damage not covered under warranty may be repaired for a reasonable rate and a fee will be charged for return shipping.

The products eligible for the lifetime warranty are covered to the original owner, for the lifetime of the product. Unfortunately, this does not mean your lifetime. Your Canvas Products Premium Boat Cover may not survive to the ripe old age of 70. (But we have heard from folks whose well-loved and cared for 1994 Boat Covers are still going strong!)

For warranty evaluation, your product must be returned directly to Canvas Products Company. All shipping must be pre-paid and insured. Canvas Products will not be liable for lost in-bound packages.

Our policy requires that products accepted for repair *be clean*. Charges will be assessed if cleaning is necessary or product may be returned to you if it cannot be adequately cleaned.
